

Dear Parent,

I am writing to let you know that we are now taking orders for the Combined Science revision guides and workbooks. The total cost for both books is £14.

The revision guides and workbooks are 'CGP'. They are very user friendly and students find them to be an excellent resource.

In the shops the cost of the revision guide and workbook is £9.95 each, but we are able to offer them at a significantly reduced rate.

If you could complete the attached order form and then ask your son/daughter to hand in the money/cheque with the completed order form to any of their Science teachers by Friday 5th October.

If you have any queries or would like further information then do not hesitate to contact me.

Kind regards,

Mrs McCarthy
