This policy is based on DfE guidance "[Preventing and Tackling Bullying](#)" July 2017 and supporting documents. It also considers the DfE statutory guidance "[Keeping Children Safe in Education](#)" 2020, "[Working Together to Safeguard Children](#)" and "[Sexual violence and sexual harassment between children in schools and colleges](#)" guidance. The setting has also read Childnet's "[Cyberbullying: Understand, Prevent and Respond: Guidance for Schools](#)".

1. Policy objectives

- This policy outlines what Thamesmead School will do to prevent and tackle all forms of bullying
- The policy has been adopted with the involvement of the whole school community
- Thamesmead School is committed to developing an anti-bullying culture where the bullying of adults, children or young people is not tolerated in any form

2. Links to legislation

There are several pieces of legislation which set out measures and actions for schools in response to bullying, as well as criminal and civil law. These include (but are not limited to):

- The Education and Inspection Act 2006, 2011
- The Equality Act 2010
- The Children Act 1989
- Protection from Harassment Act 1997
- The Malicious Communications Act 1988
- Public Order Act 1986
- The Computer Misuse Act 1990

3. School values and ethos

Thamesmead School is committed to the core values of Aspiration, Respect, Community, Independence, Confidence, Commitment and Resilience. As such actions taken to prevent bullying and responses taken to incidences of bullying are essential in fostering these values.

The Thamesmead School community recognises that all forms of bullying, especially if left unaddressed, can have a devastating effect on individuals; it can create a barrier to learning and have serious consequences for mental wellbeing.

By effectively preventing and tackling bullying our school can help to create a safe and disciplined environment, where students are able to learn and fulfil their potential.

Our Community:

- Monitors and reviews our anti-bullying policy and practice on a regular basis.
- Supports staff to promote positive relationships to help prevent bullying.
- Recognises that some members of our community may be more vulnerable to bullying and its impact than others; this may include children with SEND and those from disadvantaged backgrounds. Being aware of this will help us to develop effective strategies to prevent bullying from happening and provide appropriate support, if required.
- Will intervene by identifying and tackling bullying behaviour appropriately and promptly.
- Ensures our students are aware that bullying concerns will be dealt with sensitively and effectively; that everyone should feel safe to learn and abide by the anti-bullying policy.
- Requires all members of the community to work with the school to uphold the anti-bullying policy.
- Recognises the potential impact of bullying on the wider family of those affected, so will work in partnership with parents/carers regarding all reported bullying concerns and will seek to keep them informed at all stages.
- Will deal promptly with grievances regarding the school response to bullying in line with our complaints policy.
- Seeks to learn from good anti-bullying practice elsewhere.
- Utilises support from the Local Authority and other relevant organisations when appropriate.

4. Responsibilities

It is the responsibility of:

- The Headteacher to communicate this policy to the school community, to ensure that disciplinary measures are applied fairly, consistently and reasonably, and that a member of the senior leadership team has been identified to take overall responsibility.
- Governors to take a lead role in monitoring and reviewing this policy.
- All staff, including: governors, senior leadership, teaching and support staff, to support, uphold and implement this policy accordingly.
- Parents/carers to support their children and work in partnership with the school.
- Students to abide by the policy and support the ethos of the school.

5. Definition of bullying

- Bullying can be defined as “behaviour by an individual or a group, repeated over time that intentionally hurts another individual either physically or emotionally”. (DfE “Preventing and Tackling Bullying”, July 2017)

- Bullying can include name calling, taunting, mocking, making offensive comments; kicking; hitting; taking belongings; producing offensive graffiti; gossiping; excluding people from groups and spreading hurtful and untruthful rumours.
- This includes the same unacceptable behaviours expressed online, sometimes called online or cyberbullying. This can include: sending offensive, upsetting and inappropriate messages / images by phone, text, instant messages, through gaming, websites, social media sites and apps, and sending offensive or degrading photos or videos.
- Bullying is recognised by the school as being a form of peer on peer abuse. It can be emotionally abusive and can cause severe and adverse effects on children's emotional development.

- Bullying related to physical appearance

The following steps may be taken when dealing with all incidents of bullying reported to the school:

- If bullying is suspected or reported, the incident will be dealt with immediately by the member of staff who has been approached or witnessed the concern.
- The school will provide appropriate support for the person being bullied – making sure they are not at risk of immediate harm and will involve them in any decision making, as appropriate.
- A member of The Senior Leadership Team / Designated Safeguarding Lead (DSL) / Deputy Designated Safeguarding Lead (DDSL) / Head of Year or another senior member of staff will interview all parties involved.

- The DSL and Safeguarding Team will be informed of all bullying issues where there are safeguarding concerns.
- The school will speak with and inform other staff members, where appropriate.
- The school will ensure parents/carers are kept informed about the concern and action taken, as appropriate and in line with child protection and confidentiality policies.
- Sanctions, as identified within the school behaviour for learning policy, and support will be implemented in consultation with all parties concerned.
- If necessary, other agencies may be consulted or involved, such as the police, if a criminal offence has been committed, or other local services including Early Help or Children's Services, if a child is felt to be at risk of significant harm.
- Where the bullying of or by students takes place off school site or outside of normal school hours (including cyberbullying), the school will ensure that the concern is fully investigated. If required, the DSL and DDSLs will collaborate with other schools. Appropriate action will be taken, including providing support and implementing sanctions in school in accordance with this policy and the school's behaviour policy.
- A clear and precise account of bullying incidents will be recorded by the school in accordance with existing procedures. This will include recording appropriate details regarding decisions and action taken.

7.1 Cyberbullying

When responding to cyberbullying concerns, the school will:

- Act as soon as an incident has been reported or identified.
- Provide appropriate support for the person who has been cyberbullied and work with the person who has carried out the bullying to ensure that it does not happen again.
- Encourage the person being bullied to keep any evidence (screenshots) of the bullying activity to assist any investigation (explicit images will not be viewed by staff and will be handed to the police for investigation).
- Take all available steps where possible to identify the person responsible. This may include:
 - looking at the use of the school IT systems;
 - identifying and interviewing possible witnesses;
 - Contacting the service provider and the police, if necessary.
- Work with the individuals and online service providers to prevent the incident from spreading and assist in removing offensive or upsetting material from circulation. This may include:
 - Supporting reports to a service provider to remove content if those involved are unable to be identified or if those involved refuse to or are unable to delete content.
 - Confiscating and searching students' electronic devices, such as mobile phones, in accordance with the law, DfE guidance on '[Searching, screening and confiscation at school](#)' and the school searching and confiscation policy.

- Requesting the deletion of locally-held content and content posted online if they contravene school behavioural policies.
- Ensure that sanctions are applied to the person responsible for the cyberbullying; the school will take steps to change the attitude and behaviour of the bully, as well as ensuring access to any additional help that they may need.
- Inform the police if a criminal offence has been committed.
- Provide information to staff and students regarding steps they can take to protect themselves online. This may include:
 - advising those targeted not to retaliate or reply;

- Working towards restoring self-esteem and confidence.
- Providing ongoing support; this may include: working and speaking with staff, offering formal mentoring, engaging with parents and carers.
- Where necessary, working with the wider community and local/national organisations to provide further or specialist advice and guidance; this could include support through Early Help or Specialist Children's Services, or support through the Child and Adolescent Mental Health Service (CAMHS).

Students who have perpetrated bullying will be helped by:

- Discussing what happened, establishing the reasons for bullying and the need to change.
- Informing parents/carers to help change the attitude and behaviour of the child.
- Providing appropriate education and support regarding their behaviour or actions.
- If online, requesting that content be removed and reporting accounts/content to service provider.

- Where necessary, working with the wider community and local/national organisations to provide further or specialist advice and guidance; this may include involvement from the Police or referrals to Early Help, Specialist Children’s Services, or the Child and Adolescent Mental Health Service (CAMHS).

7.3 Supporting adults

Our school takes measures to prevent and tackle bullying among students; however, it is equally important to recognise that bullying of adults, including staff and parents, whether by students, parents or other staff members, is unacceptable.

- Recognises the potential for children with SEND to be disproportionately impacted by bullying and will implement additional pastoral support as required.
- Openly discuss differences between people that could motivate bullying, such as: children with different family situations, such as looked after children or those with caring responsibilities, religion, ethnicity, disability, gender, sexuality or appearance related difference.

- Implement appropriate disciplinary sanctions; the consequences of bullying will reflect the seriousness of the incident, so that others see that bullying is unacceptable.
- Use a variety of techniques to resolve the issues between those who bully, and those who have been bullied.

8.3 Education and Training

The school community will:

- Ensure that parents work with the school to role model positive behaviour for students, both on and offline.
- Ensure all parents/carers know about our complaints procedure and how to use it effectively, to raise concerns in an appropriate manner.

11. Monitoring and review: Putting policy into practice
