**Addendum to Thamesmead School's complaints procedures in relation to appeals regarding Teacher Assessed Grades (TAGs)**

Complaints about the award of Teacher Assessed Grades ("TAGs") as part of the 2021 Summer Exam series are outside the scope of this Policy and will be considered under the separate *Summer 2021 Exams Appeal Process ("SEAP")/ Teacher Assessed Grades Centre Policy* only. This is safe for where matters relate to TAGs but lie outside of the SEAP's remit and at the express discretion of Thamesmead School e.g.

1. any decision to withdraw an entry due to insufficient evidence on which to determine a TAG, or not to make an entry in the first place
2. any failure or delay in offering or following the SEAP

Any continuing concerns following completion of the Thamesmead School complaints process may subsequently be raised through the awarding organisation's complaints process.
