Thamesmead School Development Fund

Dear Parent/Carer

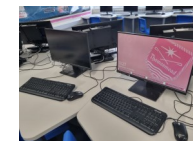

The aim of the **School Development Fund** is to raise money to support Thamesmead School's mission—that every student will realise their potential.

Presently our aspirations to develop and upgrade equipment and facilities unfortunately cannot be met by the level of funding we receive from the government alone.

As a parent or carer, you can help make a real difference through a voluntary regular donation to the School Development Fund. Many of you will have previously donated to your child's primary school and so appreciate how invaluable these contributions are.

We are delighted to say that recently we were able to **refurbish four science laboratories** and replace **80 student pcs**, mainly due to parental donations. One of our next goals is to develop the playgrounds to include **an outdoor gym** and **new sports equipment** and **refurbish the existing food technology rooms** to create more capacity and have modern facilities.

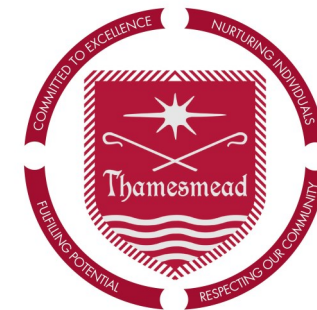

By working in partnership with our parents we hope to achieve this.

We understand that there are many constraints on the family budget, but without your support we cannot make the enhancements to benefit all of the children's learning and invest for the future.

We will be keeping parents updated throughout the year via our website; your support is much appreciated. Thank you.

Mr. P Reeves, Headteacher
