

FEEDBACK

"A huge thanks to you and everyone at Swift that has helped me over the past few years! I can't explain how grateful I am to have worked with you all, you've been nothing but kind and welcoming and always helped me when I needed it."

Employer Feedback

"We were really pleased to find Swift, and found they've got a really comprehensive attendance program. We were also really surprised they offer paediatric first aid training and do the DBS. As far as a training provider they really seem to have the complete package."

Employer Feedback

"For the short period of time that I have been in contact with Swift, they have honestly been so supportive, eager and keen to find the right apprenticeship for me. I would really recommend Swift if looking for an apprenticeship as soon as possible."
