

## BBC Bitesize Schools Tour

The BBC visited school on Friday 5<sup>th</sup> January presenting sessions in an interactive panel style.

Speakers were:

Kenny Kong – Senior Specialist, Reliability Engineer  
McLaren Racing

Chanise Evans – BBC Internal Communications &  
Engagement Senior Advisor

Saskia Burke - Metrology Technician, National  
Physical Laboratory

Each professional covered a variety of topics, such as relevant qualifications, personal anecdotes, advice on work experience and key soft skills for the workplace.

The Bitesize Schools Tour was an amazing opportunity for our students to help inspire and raise awareness of career paths across the UK and give them practical advice on how they can pursue a career in a variety of settings.

## College Open Days
