

Air Products Engineering Work Experience Week (EWEW)

EWEW is an exciting opportunity for Y11 students to work at Air Products from Monday 1st to Friday 5th of July 2024. They will take part in a mini design project, workshops, technical talks and demonstrations. There is also a site visit.

Students should submit both a CV and cover letter before 9th February 2024. For full details, visit:

National Highways Agency opportunities during National Apprenticeship Week

Join the webinar to hear about National Highways apprenticeships, NHA employee networks and how our apprentices can get involved. Hear from some of our current apprentices about their experience and how an apprenticeship has equipped them with skills for life and finish with a Q&A session.

Register here

<https://careers.nationalhighways.co.uk/graduates-placements-and-apprenticeships/national-apprenticeship-week-webinars/>

Vacancies will go live on Monday 5th February.

For further careers information, encourage your child to check the "Careers Advice for Students" Teams channel once a week and follow us on Twitter, @ThamesmeadSch

Students interested in careers in sciences may like to find out more about some exciting talks at the University of Surrey in February.
