Thamesmead School Waves Provision Map – School Offer for Students with SEND 2023-24

Teachers are responsible and accountable for the progress of students in their classes, including SEND students that have support from Teaching Assistants. High Quality First teaching, differentiated for individual students is the first step in responding to students that have or may have SEND needs.

"Special education provision is an educational or training provision that is <u>additional or different</u> from that made for other students of the same age, i.e. it is provision that goes beyond the differentiated approaches and learning arrangements normally provided as part of high-quality, teaching.¹"

The purpose of this matrix is to show the levels of SEND support available to students at Thamesmead in order that every student receives an education that enables them to make progress so that they achieve their best, become confident individuals leading fulfilling lives and make a successful transition into adulthood.

Wave / Need	Cognition and Learning	Communication & Interaction (Inc. ASD & ASD Anxiety)	Medical / Physical / Sensory	Social, Emotional & Mental Health	
Wave 1a All students (SCC 'universal')	All Years: Quality first teaching - inclusive curriculum, planning, activities, delivery and outcomes, increased visual aids/modelling, assessment of literacy, literacy challenge sheets, dictionaries, use of writing frameworks, Software to aid learning (Hegarty, Timestables Rock Stars, Lexia, Accelerated Reader, and Sparx), structured seating plans, critical and reasoning skills, keywords and simplified language (word walls, vocabulary books, and explicit teaching of words).				
	All Years: Inclusive and supportive Pastoral care –consistent tutors, Head of Year transitioning with year group, Inclusion team, vertical House System, pastoral managers				
	All Years: Whole school behaviour policy (rewards and sanctions)				
	All Years: Careers advice and support				
	Year 7: SATs/Teacher assessed scores and baseline testing on arrival (MIDYis); Primary school files and teacher information from large feeder school visits. SENCo & DSL meetings.
