January 2024

Dear Parent/Carer,

GET INTO TEACHING INFORMATION EVENTS THIS TERM

The New Year is often a time when we pursue new opportunities and if a change in career is something you are considering, the i2i Teaching Partnership's Get into Teaching Information events may be of interest.

As a parent, you will know the difference a teacher can make to your child's life. Teaching is a true vocation. Passionate teachers can hugely inspire young people and make a real difference to their lives. Teaching represents an attractive option, offering lifelong learning, progression into leadership, daily challenges and rewards, providing a huge sense of achievement.

If you would like to find out more about teaching as a career and local training opportunities, please register here to attend one of the following information events:
