## 1. Aims

Thamesmead School prides itself as a highly inclusive school and is committed to providing the best possible educational opportunities and outcomes for all students. We aim to provide a safe, caring, well-ordered environment, which allows the best possible teaching and learning to take place. Regular and punctual attendance is an essential prerequisite to effective learning. When children are not in school, they miss out on the educational opportunities, which the school has to offer. Statistics show that persistent absentees (those with attendance below $90 \%$ ) fail to achieve 5 or more good GCSE grades or equivalent.

Students at Thamesmead School are expected to attend school every day unless they are ill or if there is an exceptional circumstance. $100 \%$ attendance will be widely celebrated.

The school is committed to giving the highest priority to attendance and punctuality as well as meeting its obligations with regards to school attendance by:

- Promoting excellent attendance and reducing absence, including persistent absence.
- Ensuring every student has access to full-time education to which they are entitled.
- Acting early to address patterns of absence.

We will also support parents to perform their legal duty to ensure their children of compulsory school age attend regularly and will promote and support punctuality in attending lessons.

Regular excellent attendance is attending school on each day the school is open for students unless there is an authorised reason to be absent. These authorised absences will not be expected and considered the exception rather than the given and at the discretion of the school. The expected attendance is every lesson, every day.

## 2. Legislation and guidance

This policy meets the requirements of the school attendance guidance from the Department for Education (DfE), and refers to the DfE's statutory guidance on school attendance parental responsibility measures. These documents are drawn from the following legislation setting out the legal powers and duties that govern school attendance:

- The Education Act 1996
- The Education Act 2002
- The Education and Inspections Act 2006
- The Education (Pupil Registration) (England) Regulations 2006
- The Education (Pupil Registration) (England) (Amendment) Regulations 2023
- The Education (Penalty Notices) (England) (Amendment) Regulations 2016

This policy also refers to the DfE's guidance on the school census, which explains the persistent absence threshold.

This policy complies with our funding agreement and articles of association.

In accordance with The Education (Pupil Registration) (England) Regulations 2006 and Section 444 of the The Education Act 1996

## 3. School procedures

### 3.1 Attendance register

By law, all schools (except those where all students are boarders) are required to keep an attendance register, and all students must be placed on this register.

The attendance register will be taken at the start of the first session of each school day and once during the second session. It will mark whether every student is:

- Present
- Attending an approved off-site educational activity
- Absent
- Unable to attend due to exceptional circumstances

Any amendment to the attendance register will include:

- The original entry
- The amended entry
- The reason for the amendment
- The date on which the amendment was made
- The name and position of the person who made the amendment

Every entry in the attendance register will be preserved for 3 years after the date on which the entry was made.
*See appendix 1 for the DfE attendance codes.

Students must arrive in school before 8.25am on each school day.
The morning register will be taken at 8.30am and will be kept open until 9.00am
The afternoon register will be taken at 1:35pm and will be kept open until 2.35pm.

### 3.2 Sickness and unplanned absence

Parents must notify the school on the automated telephone system before 8.15 am or as soon as practically possible (see also section 6) every day of their child's absence. The notification will be passed to the Administrator for Attendance / Attendance Officer to make adjustments to the registers.

All absence notes and emails received by tutors should be forwarded immediately to the PCS Administrator for Attendance.

Absence due to illness will be authorised unless the school has a genuine concern about the authenticity of the illness. If the authenticity of the illness is in doubt, the school may ask parents to
provide medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence.

If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised and parents will be notified.

### 3.3 Medical or dental appointments

Missing school for a medical or dental appointment is counted as an authorised absence; advance notice is required for authorising these absences. However, if the school has doubts to the frequency and veracity of the absence, we may ask for medical evidence, before the absence is authorised.

The school expects that parents should make medical and dental appointments out of school hours where possible. Where this is not possible, the student should be out of school for the minimum amount of time necessary and catch up any missing work. Parents are required to notify the school in advance regarding any medical or dental appointments.

Applications for other types of absence in term time must also be made in advance. Information relating to whether the school can authorise such absences can be found in section 4.

### 3.4 Lateness and punctuality

A student who arrives late but before the register has closed (after 8.30am and before 9.00am) will be marked as late, using the appropriate code (L) and the number of minutes late recorded.

A student who arrives after the register has closed will be marked as absent for the am session, using the appropriate code (U).

Students that arrive after 8.30am will receive a 15-minute detention on the same day at the start of lunch. Students that arrive after 9.30 am will receive a 60 -minute detention for every hour missed. This will be considered as truancy in line with our behaviour policy. This time will be used to catch up any work from the lessons missed.

### 3.5 Following up absence

The school will follow up any absences to ascertain the reason, ensure proper safeguarding action is taken where necessary, identify whether the absence is approved or not and identify the correct attendance code to use.

When a student does not attend school, we will respond in the following manner:

- On the first day of absence, if no note or telephone call is received by 9.30am from the parent/carer a Schoolcomms text message will be sent
- If still absent on the second subsequent day, and no note or telephone call is received, a further Schoolcomms text will be sent
- Staff should advise the Pastoral and Curriculum support team if they are ever suspicious about a student's absence
- A weekly absence letter is sent out requesting reasons for absence
- Students that are persistently absence (under $90 \%$ ) will be regularly discussed with Surrey County Council Inclusion Officer. The parent(s) and student may be invited to attend a meeting to discuss how we can support the student and family to increase attendance.
- Failure to comply with the expectations set by the Education Inclusion and may result in further action, this includes an application for an Education Supervision Order, or court prosecution.

### 3.6 Reporting to parents

Information regarding student's attendance record is available on the parent portal and included in written academic reports from the school.

## 4. Authorised and unauthorised absence

### 4.1 Granting approval for term-time absence

Headteachers may not grant any leave of absence to students during term time unless they consider there to be 'exceptional circumstances'.

The school considers each application for term-time absence individually, considering the specific facts, circumstances and relevant context behind the request. A leave of absence is granted entirely at the Headteacher's discretion.

Due to the nature of the school day, finishing at $2: 35 \mathrm{pm}$. The expectation is that medical appointments and other arrangements can be made after the school day to avoid missing lesson and learning time.

### 4.2 Legal sanctions

Surrey County Council can fine parents for the unauthorised absence of their child from school, where the child is of compulsory school age.

The decision on whether or not to issue a penalty notice ultimately rests with the Headteacher, following the local authority's code of conduct for issuing penalty notices. This may consider:

- A number of unauthorised absences occurring within a rolling academic year
- One-off instances of irregular attendance, such as holidays taken in term time without permission
- Where an excluded student is found in a public place during school hours without a justifiable reason

The policy of Surrey County Council, to which this school has agreed, states that parents who take their child out of school for five days or more during term time, without the authority of the Headteacher, will each be liable to receive a penalty notice. Penalty Notices will be issued by the Local Authority.

The penalty is $£ 60^{*}$ if paid within 21 days of receipt of the notice, rising to $£ 120^{*}$ if paid after 21 days but within 28 days of receipt of the notice. If the penalty is not paid in full by the end of the 28-day period the Local Authority must prosecute the recipient for failing to ensure regular school attendance under section 444 Education Act 1996. The payment must be made directly to the local authority. If the payment has not been made after 28 days, the local authority can decide whether to prosecute the parent or withdraw the notice.

A 'Request for Absence form' must be submitted at least 2 weeks prior to the student absence. This form is available from the school Attendance Officer via email attendance@thamesmead.surrey.sch.uk

* From September 2024, these figures will increase to $£ 80$ if paid within 21 days of receipt of the notice, rising to $£ 160$ after the 21 days, but within the $28^{\text {th }}$ days of receipt of the notice.

## 5. Strategies for promoting attendance

Thamesmead School uses a number of strategies to ensure high levels of attendance from all students. This includes fortnightly attendance meetings between Head of Year and/or the Pastoral Manager and the Attendance Officer. Regular checks and communications between the tutor, the pastoral team and home. The school aims to communicate any concerns regarding attendance with parents and will hold Student Attendance Meetings (SAMs) in the event of attendance concerns. In the event of student's attendance falling below $93 \%$ the school may request medical proof to be provided for further absences.

The school aims to recognise and reward students with $100 \%$ attendance. This includes awarding house points, presenting certificates in assemblies and entering students into prize draws.

## 6. Attendance monitoring

School maintains attendance registers for all students on the school roll. Form tutors will take the register during the morning and afternoon registration.

All students will be marked using the appropriate attendance code (See Appendix 1)

- present /
- absent N
- engaged in an approved educational activity away from the school site (B, C, D, E, G, H, I, J, M, P, R, S, V and W).

These codes will also indicate if the absence is authorised or unauthorised

Students arriving during registration between 8:30am and 8:45am will be marked late by the Main Office as they enter school. This register is passed to the attendance officer to manually update AM registration. The attendance officer monitors student absence on a daily basis.

Parents are expected to call the school in the morning if their child is going to be absent due to ill health (see section 3.2). Parents are then expected to call the school each day a child is ill.

The school operates a first day response to absences and will contact parents if a student is absent from AM registration and no reason has been provided. This is part of the school's safeguarding responsibility.

If a student's absence is recognised as causing concern or drops below $96 \%$ parents will be contacted to discuss the reasons for this. If after contacting parents a student's absence continues to rise, we will consider involving an Inclusion Officer.
The persistent absence threshold is $10 \%$. If a student's individual overall absence rate is greater than or equal to $10 \%$, the student will be classified as a persistent absentee.

Student-level absence data is collected each term and published at national and local authority level through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics. We compare our attendance data to the national average, and share this with governors.
