

Engineering Work Experience Week

Summer 2025

From Monday 30th June to Friday 4th July

EWEW will take part in our new offices:
Air Products PLC, 1000 Hillswood Park, Chertsey KT16 0PS

Applications are now OPEN!

Do you know any Year 10-13 students who are passionate about Science, Maths, Engineering, and Problem Solving?

Are they seeking an amazing opportunity to develop their technical and soft skills, having a glance into their career in STEM?

Participating in the Engineering Work Experience Week is the right move!

The EWEW will include presentations from engineers and managers, workshops, shadowing an AP engineer and a site visit to an industrial operating plant and more!

All applications must be sent to COUNCIL@airproducts.com before the deadline below. The application must include:

- CV
- A cover letter expressing interest and why the applicant should be selected
- Please include EWEW 2025 in the e-mail subject field

Deadline for applying: March 28th

"Really enjoyed the week, great insight into engineering"
Former work experience week participant
