

## Virtual Event: Data Futures: Introducing Data Careers in the NHS – Apprenticeship opportunities

When: Tuesday, 11<sup>th</sup> February 2025 at 6.30pm

Where: Virtual session on MS Teams

Why Attend?

This 60-minute live online recruitment briefing will provide insight into NHS data apprenticeships. Attendees will learn about the incredible contributions data apprentices are making, including: enhancing patient care, driving healthcare innovation and transforming NHS operations.

The session will inspire school and college leavers to explore the data apprenticeship opportunities available and the meaningful careers they can build within the NHS.

## Surrey Police Work Experience - For Year 11 students

Surrey Police will be hosting a work experience week from **Monday 7<sup>th</sup> July to Friday 11<sup>th</sup> July 2025**.

The week will be a blended programme of classroom and practical learning covering many aspects of policing, including an attachment day with an operational policing team.

We have 24 places available and we are anticipating a high number of applications. Please note that incomplete applications or applications submitted after the deadline will not be accepted.

Further information about how to complete and submit the application can be found within the guidance notes on the linked form below; the closing date is **Monday 17<sup>th</sup> February 2025**.
