SCREEN SAFE

In conversation with...

eduthing
IT Services for Education

We are excited to be celebrating the upcoming Safer Internet Day by hosting a virtual parent & carer support session with Anna Sarjantson, Liam Buggs, Tim Barette and James Fraser. Join us in conversation as we explore the best ways to support our children and young people navigating the online world covering topics such as:

- Top Tips for Parents & Carers
- Resources to facilitate discussion with children and young people on online safety
- Particular Apps or Features to be aware of!
- Interactive Q&A Session

ABOUT SCREENSAFE

I started Screen-Safe to help more parents, carers, teachers and anyone working with children, have access to support, the information they need now and the tools they need for the future when it comes to keeping our children and young people safer online. As a parent myself, I know just how challenging and sometimes, overwhelming it can be to navigate the digital world our children are growing up in. The online world can provide incredible opportunities but also some serious risks, especially where children are concerned.

We want them to be able to recognise the risks, be able to call out fake profiles or misinformation and have the confidence to say NO and get away from anything or anyone online that doesn't feel right or safe to them.

ABOUT EDUTHING

eduthing are a leading technology provider to schools across the UK. As well as providing technical support to ensure teaching and learning runs smoothly, eduthing work with teachers, parents, carers and students with Computing, EdTech and Online Safety support and workshops.

We are passionate about ensuring the safety of children and young people when they experience the online world and immerse themselves in a safe and measured way.

SESSION REGISTRATION
