New Apprenticeship Opportunities at Shell UK

Our Shell UK Apprenticeship Programme is built for people who are ready to kick-start their careers, gain real hands-on experience, and earn nationally recognised qualifications, all while working alongside experienced colleagues in an inclusive, supportive environment.

Here's what you can look forward to:

Real roles from day one, working on meaningful projects across our UK businesses.

A blend of on-the-job learning and formal training over 30 months apprenticeship programme.

Support from a line manager, training provider, and buddy throughout your journey.

A chance to grow your skills while contributing to Shell's mission to power progress and support the energy transition.
