

Join Us in Our 30th Anniversary Celebration!

This year, we want to celebrate with the whole Spelthorne community - schools, churches, sports clubs, community groups, local businesses, and families. There are many ways you can get involved:

Host a Fundraiser

Hold a cake sale, a school mufti day, a garden party, a sponsored marathon, walk or fun run, or a community event at your local club or church - or come up with your own fundraising idea!

Become a Home Visiting Volunteer

Our volunteers make a life-changing difference. If you can give just a few hours a week, we'll give full training and ongoing support. If you've ever thought about helping families in your local area, now is the perfect time to join our team.

Become a Friend of Home-Start

Not everyone can volunteer directly with families - but you can still support us! Our Friends of Home-Start help with fundraising events, awareness campaigns, and community connections. Its a flexible and meaningful way to contribute.
