The i2i Teaching Partnership is an Ofsted Outstanding local provider of primary and secondary teacher training. We believe that great teachers change lives and through our highly supportive school-based training programme we help aspiring teachers become reflective, highly skilled, research-informed teachers—ready to make a lasting difference in the lives of children and young people. With expert guidance, structured training, and strong school placements, our human-first approach combines academic rigour, immersive school experience and personalised support, preparing trainees to succeed from day one and build long-term careers in education.

We would love to see you at our next event. If you would like further information, please contact Krissy Whitton on kwhitton@i2ipartnership.co.uk / 01252 900550 (option 3), or visit the i2i website <https://www.i2ipartnership.co.uk>.
