

Further Education Events News - May 2026

Register online for upcoming open events. Visit colleges and sixth forms in-person and through their virtual events and video tours.

Further information can be found on the Thamesmead School website:

<https://www.thamesmead.surrey.sch.uk/students/careers/careers-calendar/>

Regular updates are posted on the student Teams page "Careers Advice for Students" and follow us on X @ThamesmeadSch. Students can use the Careers Library in the Resources Centre where college prospectuses and careers information are available.

In Year 11 it is recommended to make at least 2 or 3 applications to Colleges/Sixth Forms as your final decision will be determined by your GCSE results. Please be aware that some Colleges have strict application deadlines, and submitting applications early gives students the best chance of securing a place on their preferred courses.

If you would like to apply for an apprenticeship, please refer to the links at the bottom of this newsletter.

Here is what's happening at our local Colleges and Sixth Forms:
