

September 2026

Dear Parent/Carer,

### **Could teaching be the career for you?**

Join the i2i Teaching Partnership for a free **Train to Teach Information & Coffee Morning** at **Thamesmead School, Shepperton on Saturday 7th November, 9.30am - 11.30am** and discover how you could begin a rewarding career where you can make a lasting difference to children and young people.

Whether you are a recent graduate, returning to work, considering a career change, or already working in a school, our open morning offers a relaxed, welcoming environment to explore the different routes into secondary teaching.

At this event you will:

- Discover how teacher training works and what to expect
- Learn about our expert-led, school-based teacher training programmes
- Get personalised guidance on eligibility, funding, and how to apply
- Understand how you can explore teaching further before deciding if it's right for you
- Meet our team of experts to ask questions and discuss your aspirations.

During the event we'll take the time to understand your starting point, answer your questions and help you work out the right next step for you.

**For more information and to register, please visit [here](#).**

The **i2i Teaching Partnership** is a specialist school-based teacher training provider working with schools across the region. Our expert-led, human-first approach combines real experience in schools, research-informed training and personalised support tailored to you - helping you build the confidence, knowledge and skills to become a great teacher.

Whether you're simply curious about teaching or ready to take the next step, we're here to help.
